Description

- Full-frame 180-degree fisheye coverage with Nikon's advanced D-type autofocus lens technology
- High-contrast images even at full aperture
- Nikon Super Integrated Coating for minimized flare and ghost providing good color balance
- Bright f/2.8 aperture for photographing in dim light or with fast shutter speeds
- Close-Range Correction (CRC) system provides high performance at both near- and far-focusing distances

What's in the box

1. Nikon Nikkor 16mm f/2.8 D AF
2. Front and rear lens caps
3. Rear attachment filters
